

*Let us entertain you*

## COMMUNITY INVESTMENT GRANT 2011 CERMONY

**The Investment Grants have been closed for this year and the outcome is a great success with 104 applicants. Out of this, 53 possible applicants will receive financial grants.**

The Presentation Ceremony will take place on Wednesday the 9<sup>th</sup> November where all the successful applicants will be attending to receive cheques. Also attending will be the local councillors to congratulate the successors on the outcome.

These successful applicants were from a wide variety of different local organisations from children's charities to sporting groups to educational programs. These smaller groups are often overlooked by other funding but still require support in order to continue doing their fantastic work in the community.

Members and staff of Kedron-Wavell Services Club should be very proud of their Club's involvement in the community, as a not-for-profit organisation all surplus funds are invested back into the facilities and services provided for our members or donated to the community.
