## **PRESS RELEASE - For immediate distribution**

### **Kedron-Wavell shaves for a cure**

Kedron-Wavell Services Club has dared to be brave and shave for this year's Leukaemia Foundation *World's Greatest Shave*, with the Club Secretary Manager even going under the razor. On Friday 13<sup>th</sup> March, Kedron-Wavell will be hosting a public shave event to help the many Australians who are being diagnosed with leukaemias, lymphomas or myeloma every year.

The Club is proud to be a public shave and colour venue for the past four years running. As a public shave venue, Club employees, patrons and members of the local community will be centre stage to take part in raising funds for the 30,000 Australians who are living with a blood cancer.

All money raised at the Club for the Leukaemia Foundation *World's Greatest Shave* will directly support patients and their families when they need it most through the provision of practical assistance, accommodation and other support measures. Funds raised by *World's Greatest Shave* will also assist with the Foundation's research effort into better treatments and, ultimately, a cure.

Kedron-Wavell's own Secretary Manager, Chris Sartori, is one of the Club's brave shavers and is even offering the highest sponsor the chance to shave his head on the night.

"Kedron-Wavell has always been a proud supporter of Shave Night, and this year I thought I might take the leap and shave my head to help raise awareness of the event and raise funds for this very worthy cause. Even if you're not up there getting shaved, cut or coloured there are many ways the public can get involved and we will have lots of donation tins going around on the night," says Mr Sartori.

Not only will Kedron-Wavell Services Club be hosting the Shave – an event in itself – it will also be providing free live entertainment plus food and drink specials throughout the night.

The Club is inviting all members of the community to come and watch – or even join – our World's Greatest Shave participants shave, colour or cut their hair in the Club Foyer from 6pm. To participate in Kedron-Wavell's public shave event please contact Renee Luk on 3350 0969.
